

Notice to Workers

(Act and Regulation)

Section 21(2)(f) of the *Workers Compensation Act* states that employers must make a copy of the Act and the Occupational Health and Safety Regulation available for review by workers. Employers must also post and keep posted a notice advising where the copy is available for review.

At this worksite

The *Workers Compensation Act* and the Occupational Health and Safety Regulation can be found here:

For additional assistance, contact your supervisor or your health and safety representative.

The Act and Regulation can also be found at
